

Hypo awareness training saves lives.

From **6–12 October 2025**
boost your skills with CDEP's
bite-sized **hypo topics**:

HYPOS AT HOME

outpatient
community/care setting

HOSPITAL HYPOS

inpatient
acute ward setting

The topics take as little as **30 minutes** to complete.

To start your hypo training:

- Look for CDEP on your LMS / ESR, or
- Sign in to www.cdep.org.uk, or
- Scan the QR code
