

# DIABETES WEEK

8-14 JUNE 2026

This year, the theme is:  
**Strike Out Stigma**

**Stigma and misconceptions can have a real impact on people living with diabetes.** By improving understanding and changing the way we talk about diabetes, we can help create more supportive care for everyone.

## Start a CDEP topic today!

- CDEP topics are **bite-sized** and **RCN accredited**.
- Training is **accessible 24/7** via computer, tablet or smartphone.
- Your **progress is saved** - continue when you have a gap.
- Completed topics generate a **certificate** and **reflection form** for *revalidation* and *appraisals*.

**Explore CDEP topics  
and start!**

Or look for CDEP topics on your **Trust's LMS or ESR**.

**CDEP is online diabetes training that fits into busy lives.**
