CDEP online training

CDEP is a **competency-based** online diabetes learning platform that supports *all levels* of health and social care workers.

2

The training covers **32 topics** and is designed to be completed in **bite-sized chunks** - you can dip in and out, whenever you have a spare moment.

3

CDEP's **mobile responsive website** can be accessed from a desktop, phone or tablet **at any convenient time**.
